Disclaimers

Dagens Medicin accepts no liability for errors made in advertisements that are published in accordance with the information provided by the customer, nor for materials received from other media.

Should Dagens Medicin accept liability for an error in an ad, you will be given a refund, provided that the total amount does not exceed the cost of the advertisement. For misprint, wrong sizes, pricing and timing, which the advertiser or bureau is not responsible for, there will only be a refund based on Dagens Medicin's estimate of the ad depreciation.

All complaints must be submitted in writing immediately after the advertisement's listing. If an ad is printed with the same error several times without any complaints, you will only get compensation for the first listing.

Dagens Medicin reserves the right to reject advertisements or listings that conflict with the interests of the company or with laws and regulations, as well as any advertising that might be confused with editorial content.

Classified ads will only be included in the classified advertisement pages under relevant headings/sections. Dagens Medicin accepts no liability for listing adverts that are illegal.

Publication or inclusion of ads is not guaranteed if finished material does not meet the delivery requirements. Claims are therefore not applicable if the ordered listing is incorrect, late or missing.

Record Retention

All advertising materials and documents are archived for six months. Hereafter, the materials and documents are deleted, unless special arrangements have been made. All errors and omissions excepted.

Cancellation

There will be no additional charge for cancellation, if the cancellation is received no later than four weeks from the material deadline. An ad can be withdrawn up until two weeks before the material deadline at a cancellation fee of DKK 9,000. For ads booked with special placement, the deadline date is shown on the order confirmation.

We look forward to hearing from you
